

# VIDEO CONFERENCING

NO MATTER WHERE YOU ARE, YOU'RE RIGHT WHERE YOU NEED TO BE

## Meet Face to Face

Be in two places at once!

## Save Time & Money

Invest your travel budget elsewhere!

## Business or Personal

Board meetings & family reunions just got fun!

## Be Everywhere

Be in Mumbai, LA, & Sydney all at once!

## Here's what you can do with TALK FUSION VIDEO CONFERENCING:

- Visually Communicate to Multiple Viewers
- Field & Answer Questions from Viewers in Real Time
- Public and Private Video or Text Chatting
- Watch Presentations in Real Time
- Mute or Remove Participants
- Upload any PDF, Word, Excel, or PowerPoint Document
- Share Your Desktop & Easily Present Your Ideas
- Designate Multiple Presenters

### FEATURING 3 USER DESIGNATIONS:

- **VIEWER:** Anyone you personally invite to your conversation. They can view the presentation as well as chat amongst other participants.
- **PRESENTER:** A designation assigned by the Moderator. Presenters have the same capability as a Viewer, with the added features of uploading presentations and sharing their desktop.
- **MODERATOR:** YOU! Organizer of the conversation & has 100% control of its operation.
